Coalition Assessment Tool	<ul style="list-style-type: none">• It's time for our Annual Coalition Assessment Tool we must complete in the month of October. This is a requirement of our contract with our funders.• We will take this survey at our Coalition Meeting• This is to assess our coalition not the coordinator, it helps us see areas of improvement, the data is analyzed and compared to the state and we can see where we land comparably, this assessment also reminds us of the things we should be slowly learning and what our purpose is as a coalition.• We need 80% of coalition members to complete survey to be compliant• This survey is not anonymous <p>Present Coalition member completed Coalition Assessment Tool</p>	Action: Alaina will reach out to absent coalition member to fill out coalition assessment tool
